Did you ever wonder why Gary is so anxious to get away for the weekend?  
This is Gary's 50<sup>th</sup> birthday present – (Mid life crisis?)

Here is Gary Arthur and friend Ron with a 25 lb. salmon just caught out of the Fraser River near Mission, BC.

Did you know that Haida Forest Products makes a Wavy Edge 1 x 10 or 1 x 8 Select Tight Knot Board?

We put our Skirl pattern on both edges then the boards are applied over top of a 1 x 4 batten for a reverse board and batten siding. Call us if you would like some pricing and/or samples.
